

RICE HUMANITIES

Center for the Study of Women, Gender, and Sexuality

**2022 Houston ARCH Summer Internship
APPLICATIONS DUE APRIL 11, 2022 by 5 PM**

PREREQUISITES:

Applicants must be continuing Rice undergraduates and have successfully completed SWGS 101 or 201 to apply. Indicate when you took the class(es) in your application.

INTERNSHIP DESCRIPTION:

This internship contributes to the feminist engaged research CSWGS pursues as a founding partner of [Houston ARCH \(Area Rainbow Collective History\)](#). Houston ARCH brings together individuals and organizations in the greater Houston area to support the collection and preservation of local LGBT community history and expand digital access to related historical materials. The Intern's primary responsibility is to conduct oral history interviews and produce both archival-quality files of the interviews and final video products for public distribution.

Interns will receive a stipend of \$2,000 per oral history and will commit to collecting either one or two oral histories over the summer of 2022. Each Intern may earn up to \$4,000 per summer. Each oral history is expected to take six weeks to collect, or approximately 120 hours of work. For the summer of 2022, projects may be completed remotely, and will include regular progress meetings. All projects must be completed by August 15, 2022.

The products of the internship may be made available to the public in a variety of forms: past forms have included public presentations through Houston ARCH, the History Tent at the Pride Festival, and submission to the Woodson Research Center, the archival arm of Rice University's Fondren Library.

TO APPLY:

Submit a proposal to interview people from the targeted list below. Specify whether you seek to collect one oral history (1/2 summer of support), or two (a full summer of support). Your proposal should include a specific timeline of work, and note any portions of the summer for which you already carry an existing obligation.

Proposals should be emailed to riedelbs@rice.edu by 5pm on April 11, 2022.

Potential Interviewees for Summer 2022 (you may also propose others):

Aaron Alon

Aurora Harris

Denise O'Doherty
